"Crime and fraud cannot be solved by law enforcement alone. It is essential that law enforcement agencies work together with community organizations, consumer and volunteer groups, government and businesses to identify, apprehend and prosecute those responsible and prevent future occurrences."

Terry Goddard
Arizona Attorney General

Attorney General Terry Goddard and County Attorney James P. Walsh invite you to a Crime and Fraud Prevention Forum. This event will be an opportunity for residents to learn more about crime and fraud impacting Arizona, including methamphetamine, human smuggling, drug trafficking, identity theft, consumer scams, elder abuse and internet safety.
